Sarah is here in Seattle and may know more about timing, but I do not believe that DOJ has signed the CD yet.

In the meantime, EPA has reviewed its own delegations of signature authority and decided to add another signature to confirm the covenant for RCRA 7003. That second EPA signature is attached immediately below in pdf. As you'll see, this does not affect page #s or anything else.

Cliff and Sarah,

What's the status of DOJ signature and lodging of the consent decree? Bob and I have not seen anything yet. Thanks.
